

## Our Commitment

Miami-Dade County is committed to assisting companies that may be adversely affected by on-going infrastructure projects. While these improvements are vital to the growth of our community, we realize construction activities may impact your businesses.

That's why we want to partner with you, so that together we can help your customers realize that the doors of your business are still open.

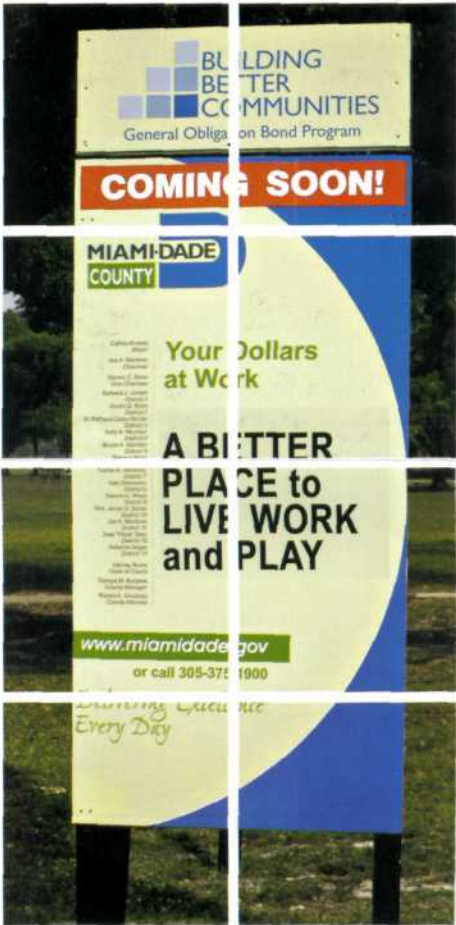

## Your Business is Our Business

Miami-Dade County will utilize **Public Involvement Planning (PIP)**

for all construction projects over \$1 million to help minimize the disruptive effects of planned projects in your area such as sidewalk repairs or water and sewer installations. We will identify those businesses and schools that are within the limits of a project and help you and your business prepare for and weather these improvements by:

- Identifying strategies to maintain customer access to your business.
- Preparing a parking plan for patrons and students so they may have adequate parking at your business or school.
- Minimizing the number of days the project will directly and indirectly affect you.
- Offering businesses loans for up to \$35,000.
- Meeting with you to get your feedback and input on how we can better serve and assist you before and during the construction process.

As **Miami-Dade County** continues to invest in our community through capital construction improvement projects, we recognize the important role you and your business play in helping to make Miami-Dade County a better place to live, work and play.

## Your ideas

We want your feedback and suggestions on how we can better serve you while we are making improvements to the community. To share your ideas on ways Miami-Dade County can help your business, email us at [www.miamidade.gov/build](http://www.miamidade.gov/build), click on the **Contact Us** link and let us know your thoughts. You may also complete this tear off form and mail it back to us, or call at 305-375-1900.

Thank you for taking the time to let us know what you think.
